The Millennium Challenge Account-Kosovo has received financing from the Millennium Challenge Corporation toward the cost of the Program Administration and intends to apply part of the proceeds toward payments under the contract for Translation Services.

MCC's funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with MCA-Kosovo, money is already available to the MCA-Kosovo and, for most contracts, invoices are paid directly to Offerors by the US Treasury. MCA-Kosovo now invites offers from eligible offerors for Translation Services.

Bidding will be conducted through the Shopping procedures as specified in the MCC Procurement and Policy Guidelines (PPG) and is open to all eligible offerors as defined in the PPG.

A complete set of bidding documents may be obtained by interested eligible offerors upon the submission of a written application at the following address MCAKosovoPA@dt-global.com.

Offers must be delivered electronically on or before **March 18, 2024, at 03:00 PM (CET)**, in accordance with the RFQ. Late offers will be rejected.
