### Notice of Pre-Qualification Annulment

MCA-Kosovo hereby announces the cancellation of the pre-qualification process issued on December 13, 2024, under PQ No. 01/2024 for *Design and Build of Utility Scale Battery Energy Storage Systems (BESS) and Transmission Connection Infrastructure (Lot 1: 45MW/90MWh, Lot 2: 125MW/250MWh)* ("the Pre-Qualification Document").

In accordance with the Pre-Qualification Document, Section I, Instructions to Applicants, Clause 28, MCA-Kosovo reserves the right to annul the pre-qualification process at any time without incurring any liability to any applicant, which all pre-qualification applicants declared and certified in their Application Submission Form, paragraph 11.

All actions related to PQ No. 01/2024 are hereby closed, and no further actions will be taken under this pre-qualification process. This annulment concerns the pre-qualification process only and does not reflect a cancellation of the underlying project or activities.

MCA-Kosovo thanks all applicants for their interest and welcomes participation in future opportunities under the Kosovo Compact.

For future announcements, please visit MCA-Kosovo's official website.

Sincerely,
