The Millennium Challenge Account–Kosovo (MCA-Kosovo) has received funding from the Millennium Challenge Corporation (MCC) toward the cost of the Program Administration and intends to apply part of the proceeds toward payments under a Blanket Purchase Agreement (BPA) for IT Equipment.

MCC funding is appropriated by the U.S. Congress and obligated to the Compact up front, with no incremental or partial funding. Therefore, when a BPA is signed with MCA-Kosovo, funds are already available. For most BPAs, payments are made directly to the suppliers by the U.S. Treasury.

MCA-Kosovo now invites quotations from eligible offerors for the supply of IT Equipment. Bidding will be conducted through the Shopping Method, in accordance with the MCC Program Procurement Guidelines (PPG), and is open to all eligible offerors as defined in the PPG.

A complete set of bidding documents may be obtained by interested eligible offerors upon the completion of the registration form at <https://forms.office.com/r/SWTPd2tZYz>.

Offers must be delivered electronically on or before **November 21, 2025, at 3:00 PM (CET)**, in accordance with the RFQ. Late offers will be rejected.
