The Government of the Republic of Kosovo (the "Government" or "GoK") and the Millennium Challenge Corporation ("MCC"), a United States government agency, signed a grant aimed at poverty reduction through economic growth in Kosovo on July 15, 2022, in the amount of US $202,000,000 (the "Compact") and a corresponding contribution from the Government of approximately US $34,670,600 for MCA-Kosovo workshop consultant.

MCC's funding is appropriated by the U.S. Congress and obligated to the compact up-front, with no incremental or partial funding. So, when a contract is signed with an Accountable Entity, money is already available to the Accountable Entity and, for most contracts, invoices are paid directly to Offerors by the US Treasury. MCA-Kosovo now invites to offer the eligible offerors for Individual Consultant Legal Expert.

The procurement will be conducted through the Individual Consultant Selection ("ICS") procedures as specified in the MCC Procurement and Policy Guidelines (PPG) and is open to all eligible offerors as defined in the PPG.

Interested eligible Offerors can obtain the complete set of RFA documents by registering through the following link: https://forms.cloud.microsoft/r/5zrsbu8TQr

Upon completion of the registration form, a link to download the complete set of RFO documents will be displayed in the confirmation message.

Applications must be delivered electronically on or before **November 26, 2026, at 3:00 PM (Kosovo local time),** in accordance with the RFA.

Late submissions will be rejected. Please note that only electronic offers shall be accepted.
